*Superintendent of Schools*

March 11, 2020

Dear Floral Park Families,

In my continued effort to keep you updated regarding the current health emergency, I would like to share some additional information with you.

At this time, you would have received a letter from our Building Principals explaining the changes for our upcoming parent conferences on March 19<sup>th</sup> and March 20<sup>th</sup> (or otherwise scheduled conferences as per your classroom teacher). The letter included:

- All conferences will be held via telephone
- The dates and times (as per our Online Scheduler) will remain the same and any other appointments scheduled with your classroom teachers
- We are asking all parents to provide their classroom teachers with the phone number where you can be reached for your conference

Additionally, I just returned from a meeting that included Nassau Superintendents, Nassau County Executive, Laura Curran, Dr. Lawrence Eisenstein, Nassau County Commissioner of Health and Peter LaDuca, Executive Manager, Health and Safety Training for Nassau BOCES. At this time, we have acted accordingly and have taken all proactive measures, and are following all the guidelines and regulations provided by both New York State and Nassau Department of Health as we navigate this extremely fluid situation.

The safety of our children, staff and entire school community is our top priority and will continue to drive all of our decisions moving forward. We will continue to update you of any changes in our procedures. Thank you for your trust, patience and support during this time.

If you have any questions, please feel free to contact me.

Yours Truly,

Dr. Kathleen Sottile  
Superintendent of Schools
